LADY-TOUR 2010

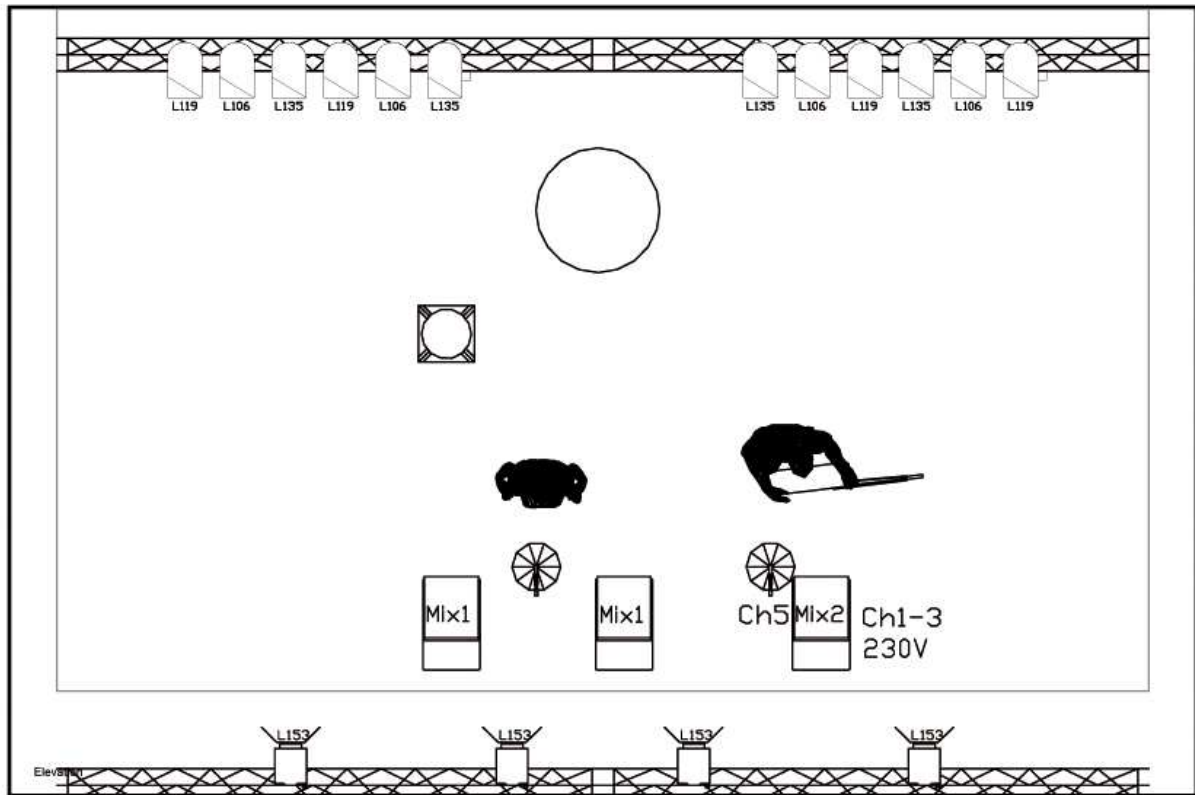

Version January 2010

The following Rider is a part of the contract and has to read carefully.

- STAGE SIZE: 6 x 4 x 0,8 meter / minimum
- PA SYSTEM: high quality system, min 2-way active, adequate power relating to the roomsize and the number of guests, however not less than 2 x 1,5kW. A subbass extension is essential and supposed to run from an extra aux/return. The system has to cover the complete area of the venue. (preferred systems: *Meyer Sound, d&b, L-Acoustics, EAW*)
- MONITOR: 03 x wedge on two separate ways (way one: 2 wedges, way two: 1 wedge)
just the following systems are acceptable:
03 x *Meyer Sound UM1P, USM or MJF*
In certain cases we can carry our own monitor wedges. Please contact us early to clear this item!!!
- CORDES: A complete set of snakes, plugs and cores at the stage and FOH area, 01 x multicore at least 6input, 2return, plus PA left/right, complete balanced, between stage and FOH, all the sound connection XLR type, 01 x power with 2 outlets at the FOH, 230V/german type. 02 x power center stage, 01 x power for the receiver in the stagebox area.
- FOH: **We will carry our own desk Yamaha DM1000 and a 19"/6HE siderack.**
Please make sure that we can set it up in FOH position (2x1m)
- MIC/DI: 01 x Neumann KMS105 **(supplied by the artist)**
01 x Neumann SKM5000-N UHF **(supplied by the artist)**
01 x Neumann KM184 **(supplied by the artist)**
01 x Sennheiser SK/EM1083, UHF-Beltpack System, **(supplied by the artist)**
03 x *BSS AR133* **(supplied by the artist)**
- STANDS: 01 x large boom
01 x small boom
01 x straight with plate
- LIGHT: (minimum) 04 x fresnel 1kW (LEE153) front
12 x PAR 64 CP61 (LEE 119, 106, 135) back
01 x dimmer 12-channel, 01 x programmable lightboard
(...also moving heads such as Robe ColorSpot700 / Color Wash750 are welcome)
01 x dark backdrop, velvet or molton
- MISCELLANEOUS: 01 x Barstool (wooden) with footrest
01 x Table on stage size: B 60xH70xT60cm (or round Ø 60cm)
01 x Table for mixing desk size: B180xH80xT80cm
04 x Towels, brilliant white, on stage
02 x Water glass on stage
02 x Bottles with mineral water (1 litre), **without gas**, on stage
- PERSONAL: two nice People, who will help to set up and remove all backline equipment
one good light engineer, who will set and run the light system during the show
